

*“We will assist you to recognize and find your supports centered in the knowledge of your community and helpers.”*

**Founder and Clinical Director**  
**Rey T. Singh RSW, MSW, CAC II, RCS**  
**Clinical Social worker/Therapist**

---

### **London Middlesex Counselling & Addiction Services**

Situated in London, On. LMCAAS was founded by Rey Singh, a clinical social worker who has specialized his counseling practice to work with diverse communities for past 15 years. He is Health Canada FNIHB approved for providing counselling to the Residential School Health Support and Short-term Crisis Counselling to First Nations. He has extensive experience working with individuals from diverse communities in Northern Ireland, including First Nations from BC, Alberta and both rural and urban environments throughout Ontario. Currently, Rey Singh also works as a Mental Health Clinician for London Family Court Clinic in London providing mental health services for individuals involved in the court system. He carries a Masters degree in social worker, is a registered social worker in Ontario, a certified addictions counsellor, and a registered clinical supervisor

### **Other Services:**

Employee Assistance Counselling

Crisis Counselling for First Nations by referral-FNIHB covered-non-court mandated.

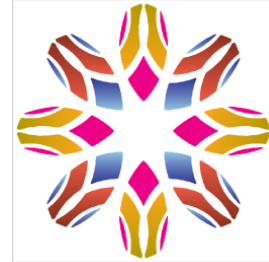

### **Our commitment to help you:**

- 1 Determine an achievable treatment pathway
- 2 Provide you with tools and strategies to stabilize your acute withdrawal symptoms
3. Assist you to treat and underlying mental health issue.
4. Become better and whole and address your healing.
5. Connect you with referral support for on-going addiction support, psychiatric and psychological assessments.
6. Assist you with knowledge and compassion.

Rey T. Singh MSW, RSW, CACII, RCS  
Clinical Social Worker/Therapist

**Rey T. Singh specializes** in the area of treatment of addictions and mental health (concurrent disorders) and has training in the areas of individual and group counselling, motivational interviewing, solution-focused approaches, pharmacology, human development, concurrent disorders, family education, anger management, treatment planning, relapse prevention, grief recovery and case management. With over 15 years working with youth, adults and families in the Addiction and Mental Health field and working with First Nation and non-First Nation communities Rey has assisted in bringing reunification back into the homes and communities. He has a strong background in working with traumatized persons who are self-medicating their pain and loss of attachment through substance abuse.
